10 PERSONAL DECLARATION

The aim of the admissions process is to select students who have the ability and motivation to benefit from the programmes they intend to follow and who will make a contribution to the life of the University

The process takes place within the context of the University's Equal Opportunities policy which expresses the University's commitment to a comprehensive policy of equal opportunities for students in which individuals are selected and treated on the basis of their relevant merits and abilities and are given equal opportunities within the University. The aim of the policy is to ensure that no prospective student or enrolled student should receive less favourable treatment on any grounds which are not relevant to academic ability or attainment.

It is, however, important that these aims are achieved without prejudice to the safety and well being of other members of the University community.

You are asked to state whether or not you have any relevant criminal convictions. Relevant criminal convictions are only those convictions for offences against the person, whether of a violent or sexual nature, and convictions for offences involving unlawfully supplying controlled drugs or substances where the conviction concerns commercial drug dealing or trafficking. Convictions that are spent (as defined by the Rehabilitation of Offenders Act 1974) are not considered to be relevant and you should not reveal them

You must enter **x** in the box if either of the following statements applies to you

- I have a relevant criminal conviction that is not spent**
- I am serving a prison sentence for a relevant criminal conviction**

If you enter **x** in the box you will not be automatically excluded from the application process. However, we will want to consider your application further and may require further information before making a decision.

I confirm that whether submitting this application form electronically or on paper, the information given in my application form is true, complete and accurate, and that no information requested or other material information has been omitted. I undertake to be bound by all the rules and by-laws in force under the Articles of Government of the University. I accept that, if I do not comply with these requirements, the University may cancel my application and any subsequent offer and I shall have no claim against the University in relation thereto.

Data Protection Act 1984, 1998 I agree to Bournemouth University processing personal data contained in this form, or other data which the institution may obtain from me or other people, whilst I am an applicant. I agree that information received by the institution will be stored in hard copy and in a central computer database, and that it will be used for internal University administrative and management purposes and for those purposes registered with the Data Protection Registrar.

The University may, at any time, as you, your referee or employer to provide more information about your application (for example, proof of identity, status, qualifications or employment history). If we do not receive the information by a set date, or the information is not satisfactory, we can cancel your application.

For those students who are applying through an official contracted representative of BU, information relating to your application and subsequent enrolment at BU may be shared with the relevant representative.

I understand that details of my progress and attendance may be released to my sponsor/employer.

TIPS ON COMPLETING THIS FORM	
1	It is important that you complete all sections of the application form in full. Incomplete application forms will cause a delay in the application process and may result in a lost place.
2	Level of study: A number of modules are available at different academic levels of study: Level I (diploma level), Level H (degree level), or Level M (masters level). Where this is the case, it is important you indicate the level you wish to study at. You will be enrolled on the unit at the level you request, and it is not normally possible to change level once you have enrolled.
3	Qualifications: Ensure you have listed all your academic and professional qualifications including your professional registration. Don't forget to include photocopies of your certificates, academic transcripts of results or credit awarded for courses/modules completed. Your application is assessed based on the information you provide
4	Sections of the form to be signed. There are three sections which need to be signed. Please note these all need to be completed in order for your application to be processed. <ul style="list-style-type: none"> • Section 6 – Supporting Manager – your Manager (if applicable) will need to sign this section before the form is passed for authorised funding approval. • Section 7 – Fees – One section needs to be completed as follows: <ul style="list-style-type: none"> ○ A - if the unit or course is funded as part of the LBR contract or other specialist contract. This must be signed by an authorised signatory for your organisation. ○ B – if the student is self-funding the course or unit of study ○ C – if the employer is sponsoring • Section 10 – Personal Declaration – you, the applicant, must sign this section
5	Confirmation of your place: The earlier you submit your application form the better. Your place on the course/module is not firm until you have received confirmation from the University. If we receive your application less than 6 weeks prior to the start date there may not be time to process it and you may be unable to access certain facilities on your first day. Once your application has been approved, you will receive an offer letter and further details. All correspondence is sent to your home address.
6	Submitting application forms – unless you are paying for your module/course yourself, your application form must be submitted via your Trust/organisation Education/Learning & Development Lead.
